**Happiness** © J Ireland

Smile when you can  
Laugh when you want  
Tell me how it feels  
Happiness is always there

Don't look so mad  
Don't feel so sad  
Happiness is what you're looking for all these years

A smile doesn't cost so very much  
It also can be so hard as such  
Cause this smiles' a special touch

Smile when you can  
Laugh when you want  
Tell me how it feels  
Happiness is always there

Don't look so mad  
Don't feel so sad  
Happiness is what you're looking for all these years  
You're looking for all these years  
You're looking for all these years
