## **This Is My House** © J Ireland

This is my house where I work nights  
To do what is good to make it sound right

This song I sing for me and you  
Cause I know what you mean

I want you to know why I sing to you  
To make our love last weeks through and through

This song I sing for me and you  
Cause I know what you mean

This is our song we can't go wrong  
Our love was made to be this song was meant for three

This song I sing for me and you  
Cause I know what you mean  
Too meeee oo oowwaaa
