## **If I Could Get To Know You** © A DeSouza

We can to meeting oh so suddenly  
You walked right into my arms  
You are the dreams which I have dreamed of  
I fell right for your heart & charms  
At first I felt that I was dreaming, for you are too good to be true  
But as the night fell into a new day, I knew that I too fell for you  
If I could get to know you... you could get to know me  
We'd have something for a start, if you just let me see you  
And let me be here to you.... you could open up your heart  
Ooooh Sail on Ooooh Sail on

Your laugh which is felt more than is heard  
Your smile can carry me away  
You hold the records of the summer breeze  
All I'm asking is to stay  
I hear your happiness and I hear you cry  
I want to be there just for you  
I feel like I told you just forever  
If all my feelings could come true  
If I could get to know you and you could get to know me  
We'd have something for a start, if you just let me see you  
Let me be here to you: you could open up your heart  
Oooooh Sail on Oooooh Sail on Oooooh Sail on Oooooh Sail on
